

# BALLET

## Rehearsals at Studio A:

\*\*\*During Studio Rehearsals, dancers are free to go when they are done with their dance, but they are welcome to stay and watch\*\*\*

Regular Ballet classes run thru Friday May 17th. We will then begin two weeks of special rehearsal schedule. These rehearsals are very important. "Prince" is a 22 minute piece that features dancers entering & exiting throughout the work and includes partnering with dancers across class levels. This is your chance to build confidence in how it all fits together. Please try to attend these rehearsals.

**Monday May 20th 5 - 6:30pm**  
work "Prince" all ballet classes

**Wednesday May 22nd 5 - 6:30pm**  
work "Prince" all ballet classes

**Wednesday May 29th 5:30 - 6:30**  
run "Prince" all ballet classes

## Rehearsals at East Chapel Hill High:

### Friday May 31st DRESS/TECH Rehearsal

These are the starting times for each practice. Students should arrive 10-15 minutes early and have a seat in the auditorium so we can begin. Please wear your costumes and stage makeup. We will run this rehearsal just like showtime.

**"Prince" (Ballet) 6:00-7:15**

### Saturday June 1st RECITAL DAY

These are the starting times for each show. Dancers will be expected to arrive 15 minutes beforehand and wait in the lobby until the backstage area is cleared out by the previous show. We hope to run the shows very tightly to minimize the amount of wait time.

**"The Magic Hat Shop" (Movement Explorations & Performance Co) 1:30**

**"Prince" (Ballet) 2:30**

**"Queen" (Contemporary, Fusion) 3:00**
