AUDITION # (you will get this at the audition) _____

1. Company rehearsal times run on Friday from 6:30-9pm and Sunday 1-5pm. While you do not have to be at rehearsal every week or all of the time listed, do you have these rehearsal times available?

YES NO MAYBE

2. The rehearsals the week before a show are mandatory. Do you know what mandatory means? If no, would you look it up in a dictionary? I understand there are school conflicts that can not be helped but please check your schedule before auditions.

3. Company members have 2 excused absences per show for the regular rehearsal calendar. I know people get sick and that things come up and your parents make you go away and miss rehearsal... but, there are lots of people in the company and little time to rehearse. Do you understand that you will be dismissed after three absences?

YES NO MAYBE

4. Dances are set at rehearsal using available dancers. Do you understand that you will not be used in sections of a dance if you are absent from rehearsal?

YES NO MAYBE

5. Performance is a major commitment of time and energy. Do you understand that you may not join other performing groups that may conflict with the performance schedule? We will not schedule around school plays, church plays, or other dance companies.

YES NO MAYBE

6. Please list the classes you are enrolled for this year. Remember members ages 8-11 must be enrolled in at least one technique class... and members 12 and up must be enrolled in at least two technique classes.

Good luck at auditions.... if you are having second thoughts, come in and have a fun class but give us your number when you leave!
